#### Notes

1. *Per diem* rates are evaluated and adjusted annually based on the cost of animal care per cage, increases will be communicated mid-fiscal year.
2. When submitting estimates for grants, calculate a rate increase of 10% annually.
3. Technical Support and Veterinary fees apply when used for non-clinical support.
3. Fiscal Year (FY) starts the preceding September 1<sup>st</sup> and ends on August 31<sup>st</sup>.
4. Mileage for animal transport is calculated at the IRS mileage rates. Additional fees may be incurred for animal handling (time) and packaging.
