Dr. James L. Moore III

Opening Speaker

Dr. James L. Moore III is the Assistant Director for the Directorate for STEM Education at the National Science Foundation. Prior to his NSF appointment, Dr. Moore served as the vice provost for diversity and inclusion, chief diversity officer at The Ohio State University. He is nationally-recognized for his work on African American males and STEM education. Since 2018, he has been cited annually by Education Week as one of the 200 most influential scholars and researchers in the United States.
