Phone: (956) 509-6013

Address: Brownsville, TX 78521

Objective

My goal is to illustrate and bring forth creative ideas to life, ranging from stories, to environments, to characters. From ideas presented in a concept brief to my own, to visualizing a script for a comic book, I am seeking to place my illustration skills to the test and to demonstrate that I have what it takes to be an illustrator.
