About Me:

I am Raul Sanchez, I was born in Kingsville TX, lived there for six years, moved to the Rio Grande Valley. My goal is to become an artist, to work in a famous studio, to work well-known artists, designers, and creators and to show that I have what it takes to be where I am. The ability to show that I have potential to become something in the company. It is my understanding as an artist is to be open to the world around me and to understand the meaning of what it means to make something of it. Graduated from Texas Technical College with an Associates Degree with General Academic and The University of Texas Rio Grande Valley with Bachelors in Graphic Design.
