EXPERIENCE

Independent Graphic Designer

2017-2022

I work with companies or events to help give them design ideas on flyers, banners, logos, as well as any nontraditional design work.

Teacher Assistant, The Children's College Learning Center

2021

I was assigned to a classroom of ten students. I prepared and organized events for them. The age range was wide, so I made sure it was interactive with all ages.

Social Media Coordinator Intern, UTRGV Residence and Housing

2020

I helped design flyers and ads for programs that the department hosted. As well as assisted the resident assistants in creating the flyers for events that they hosted. I helped manage the utrgvhousing Instagram. As well has pitched ideas to help the app grow.

Graphic Design Assistant, Digital Print and Advertising

2018-2019

I was assigned jobs that would take were small in time but heavy in quantity. My focus was to finish day-to-day tasks so that our main designer could work on bigger and time-consuming jobs.
