Outside Activity Disclosure Certification for Researchers Document for Multiple Personnel

This document is used as an addition when a research study includes <u>10 or more</u> research team members (*students not by UTRGV only*) who confirm the following:

I certify that, I and my covered family members (as defined in UTS 175) do not have an outside activity that may be perceived by a reasonable person as a significant financial conflict of interest in research.

First and Last Name	UTRGV Username	Researcher Signature	Date
