ABOUT THE RGV NONPROFIT SUMMIT

The 2024 RGV Nonprofit Summit, hosted by the UTRGV Nonprofit Resource Center and OneStar, is a premier event designed to facilitate learning, foster networking, and encourage collaboration within the nonprofit sector in the Rio Grande Valley. Our conference theme, **Threads of Transformation: Weaving Nonprofits for Impact**, aims to equip attendees with capacity-building strategies and foster meaningful partnerships within the RGV nonprofit community.

Your support and partnership as a sponsor, exhibitor, or virtual vendor offers a unique opportunity to enhance your company's or organization's visibility and brand recognition. It also underscores your commitment to supporting the nonprofit sector and contributing to the social welfare of the greater RGV community. We provide opportunities to develop valuable connections with hundreds of local leaders and decision-makers.
