

PURCHASE CLICKER/LICENSE

There are four ways to ensure you have appropriate access. Please read each description carefully so that you can make a correct purchase.

1) New students: You need to purchase a Clicker Bundle (QT2 Device & 1 Year License), you may purchase this online (TP Student Store) or at the University Bookstore. ISBN: 978-0-9972248-1-8

[Create Turning Account and Register Clicker/License](#)

2) Current students who own clickers and have a current Turning Account license: If you registered your clicker before in Blackboard and have an unexpired Turning Account license then you don't need to purchase anything.

3) Current students who own clickers and have an expired Turning Account license: If you registered your clicker before in Blackboard but your Turning Account license has expired, then you need to renew your license.

4) Current students who previously used ResponseWare (mobile app) and do not own clickers: You already created a Turning Account and have purchased a license, so you don't need to purchase anything unless:

- Your license has expired
- Your instructors only allow using Clicker in classroom
